IEP Comp Services-Meeting Worksheet

Parents, use this worksheet to gather your thoughts for both your email to the team and or what you wish to discuss as an IEP team at an IEP meeting.

Letter Starter: Dear IEP/School Team, I have been reviewing my child's IEP and comparing it to what he/she has received during pandemic distance learning. I am requesting an IEP team meeting to discuss ESY/Compensatory Services. He/She has regressed (give examples) and some IEP goals may need to be adjusted. My reasons are as follows:

IEP Services Received	IEP Services Not Received
Examples of Skill Regression	Goals to be Adjusted-New Baselines
